

ORGANIST BILL DEAN was guest of honor at a party at Lorenz's Smart Country House last Sunday. Shown here, left to right, are Porter Heaps, Chicago, official organist for the Chicagoland Music Festival; Mrs. Robert Markwart, Antioch, who organized the party; Bill Dean, and Lloyd Norlin, Glenview, arranger and composer.

## Bill Dean Fans Listen & Love It

More than 150 Bill Dean fans gathered at Lorenz's Smart Country House last Sunday to pay tribute to the gifted young musician. Numbered among the guests were several talented musicians. Porter Heaps, organist, whose music opens the Chicagoland Music Festival every year, was present with his wife, Dorothy. Bill Dean played one of the 72 organs at the festival, under Mr. Heaps' direction, when he was 14 years old. Composer-arranger Lloyd Norlin and his wife were present to hear some of Dean's fantastic arrangements. Bill Dean has played at Lorenz's since last April. In addition to the friends he has

made in the Antioch area, he has a group of devoted fans who follow him wherever he plays to hear his organ artistry. A song in Dean's honor, written by Helen Repke, was sung by Lynda Repke, Candy Bentel, Joan Lindblad and Holly Markwart. One outcome of the party was the formation of a Bill Dean Fan Club. The group voted to meet again in three months to hear of progress made by officers to promote and expose Bill's talent. Anyone wishing to join the club may call Florence Markwart at 395-1448. Mrs. Markwart organized the party in Dean's honor, and also has tickets for Bill's next concert in Barrington.

GARNET ODDSEN who will appear as the Shoemaker's wife in the production "The Elves and the Shoemaker."

## P M & L to Present 'Elves & Shoemaker'

A family type theatrical production, "The Elves and the Shoemaker" will be presented the afternoons of December 5, 6, 12 and 13, at the Palette, Masque & Lyre Theatre on Main St. One of the authors, the late Charlotte B. Chorpennig, was the foremost children's playwright in America. "The cast is working hard to present an afternoon's entertainment with appeal for both adult and child," says director Valerie McElroy, "and with the possibility of a sell-out, we hope the public will order their tickets early." For advance tickets call 395-3613.

## Mary Pedersen Dies After Long Illness

Mrs. Mary L. "Mayme" Pedersen, 74 years old of Fillmore Court in Antioch passed away after a six month illness at 10 p.m. Monday, Nov. 16, in Lake Forest Hospital where she had been confined since August 31, 1964. She was born March 18, 1890 in Pleasant Prairie, Wis. Mary L. Griffin was united in marriage with Alfred J. Pedersen at St. Peter's Church in Antioch on June 21, 1911. He preceded her in death on Sept. 23, 1950.

They had operated a farm on Hwy. 173 and later engaged in a live stock trucking business and a farm implement business now carried on by their two sons, Alfred and Robert, at the same location.

Mrs. Pedersen held membership in St. Peter's Church and the Altar and Rosary Society of that church.

Survivors are two sons, Alfred P. Pedersen and Robert H. Pedersen, both of Antioch; six daughters, Mrs. Myrus (Helen) Nelson, Antioch; Mrs. H. Kenneth (Rose) McCord, Lake Villa; Mrs. Jay (Grace) Johnson; Evanston; Mrs. Bruce (Lena) Dalgaard, Antioch; Mrs. Windsor (Edna) Dalgaard, Lake Villa; Mrs. Thomas (Alice) Dunkin, Deerfield; two brothers, Joseph Griffin, Milwaukee, and John Griffin, Hales Corners; one sister, Mrs. Ida Hoyer, Kenosha; 20 grandchildren and 5 great-grandchildren.

Funeral services will be held at 9:30 a.m. today (Thursday) from the Strang Funeral Home in Antioch to St. Peter's Church for a requiem mass at 10 a.m. Rosary was recited at 8:00 p.m. Wednesday at the funeral home.

## Village Board Approves New Well; Spafford St. Finished

By Marilyn Storbans

The Antioch Village Board authorized their engineer, Frank Angelotti, to draw up specifications for a new 12-inch well with a guarantee of 600 gallons a minute output, at a board meeting Tuesday evening.

Edward Jacobs, village attorney, was asked to check with the bonding company to see whether sewer and water funds available could be used for the new well.

Mayor Murrill C. Cunningham asked the board to consider building a filtration plant by the new well. Many complaints have been registered from all points of the village about heavy iron deposits in the village's water.

According to Ernest Glenn, chairman of the sewer and water committee, the pure food phosphate treatment, which has been used to rid the water of iron deposits, is expensive to use and causes the bacteria count in the water to go up. "Water is a very important ingredient to the future expansion of the village," stated Mr. Glenn, and would put the filtration plant under consideration.

In other business the board voted to pay \$21,768.86 to the Lakeland Construction Co. for the paving contract on Spafford St., and their bill of \$2,500 for the storm sewer extension. The Applied Engineering Firm was paid \$212.50 for engineering services on the extension of the Spafford St. contract.

The street now had its binder and surface coat with the final coat to go to next spring. The village has agreed with the contractor to take over the job of putting in the black dirt and seeding between the curb and sidewalk for a reduction of \$400 in their bill.

A Public Service representative will be asked to look into the possibility of an additional light on the west portion of Lake Street between St. Peter's Church and Tiffany Road. More pedestrians use this road because of the newly constructed Tiffany Arms Apartment building.

The board voted to advertise for bids to clean out Sequoit Creek from the disposal plant west to Tiffany Road. Permission was given the Antioch Chamber of Commerce to hang Christmas decorations across the state highway at strategic locations. The consent of the state to hang the decorations had already been granted.

The Elm Development Company of Skokie, anticipating a new development of homes in the Village Green Subdivision, requested that the sewer and water system of that subdivision be officially accepted by the village. While the system has been in use for approximately three years, official acceptance of the system by the village had never been granted, and in order for the development company to receive FHA loans the village must be responsible for the maintenance of this system. The board passed a resolution to accept the Village Green Subdivision sewer and water system.

Fourteen departments will meet at the two host schools, with all departments using outside resource people as speakers.

Mrs. James McMillen of Antioch will be a guest speaker for the Home Economics Department. The afternoon session will feature modeling of Historical Fashions and Costumes presented by Mrs. McMillen.

to offer better, faster, more reasonable watch repairing, done on the premises, he also intends to enlarge the lines of silver flatware and hollowware. Fine silver, he says, is arriving at the store daily.

Bulova watches are among the new lines which will be offered at Keulman's Jewels. They also carry Omega, Tissot, Longines, Wittnauer and Bulova "Accutron" watches; Blue Gem, Keepsake and Starfire diamonds, Spield and Kreiser watchbands, plus many gift items and fine silver.

The Hahn family—George, his wife Irene and three-month-old son David—hope to sell their home in Arlington Heights soon and move to Antioch. The name of the jewelry store will be changed after the first of the year.

## New Owner of Jewelry Store

Keulman's Jewelry Store, 913 Main St., in Antioch, has been sold to George W. Hahn of Arlington Heights.

The new owner took over the store last week and has planned a Grand Opening for Thursday, Nov. 19 (today).

Among the features of the Grand Opening will be a chance for visitors to sign up for a drawing for a diamond ring and a wrist watch, which will be given away December 19, just in time for Christmas.

Keulman's Jewelry Store was built in 1902 by William Keulman and has been operated by a member of the Keulman family until the recent sale. The store was demolished by fire a few years after it was built, but was rebuilt. C. R. (Bussie) Keulman has operated the store continuously since his parents left the business.

George Hahn's background includes a course in watchmaking at Bradley University; a course at the Gemological Institute of America has trained him in identification, grading and valuation of diamonds. Most recently, he was the manager of the fine jewelry and silver department at Wieboldt's store in Randhurst.

He intends to use his knowledge as a watchmaker

## New Church Plans Meeting

A general meeting of all persons interested in the new Lutheran church being developed in Antioch will be held on Tuesday, Nov. 24, 7:30 p.m. in the Community Room of the Savings & Loan Building, Lake Street, Antioch.

Steps to be taken in the organizing of the new congregation will be outlined by the Rev. Wilton H. Anderson, who is working under the auspices of the Board of American Missions, Lutheran Church in America. A question and answer period, review of the worship service, and other pertinent topics will be discussed. The central Planning Committee will be introduced, presently made up of Mr. John Bleisch, Mr. James Lienhardt, Mr. E. J. Oftedahl and Mr. Henry Skogstad.

A proposed name for the new congregation was approved by Dr. Robert J. Mar-

## Scouts Intensify Membership Drive

The month of October marked the beginning of a sustaining membership drive in the Northwest District of the North Shore Area Council, Boy Scouts of America.

Finance Committee Chairman, Will Hayes, of Grayslake, points out that the sustaining membership method is being introduced not only to raise funds necessary to provide facilities for the Boy Scouts. It has been introduced also to provide an opportunity for many persons to express the extra interest they have in scouting over and above their contributions to the United Fund. This is a chance to identify themselves, personally and financially with the Scout movement in which they have confidence.

To be a sustaining member in the Boy Scouts, a person need not be the parent of a Scout, in fact he need not be a parent at all. Ev-

eryone is eligible, since everyone is, in some way, helped by the Scouting movement. Without the aid of local citizens, hundreds of eager and worthy boys will be denied the opportunities of Scouting. The reason: the number of boys who can be enrolled in Scouting is in direct proportion to the funds available to your local Area Council. It follows, then, that financial assistance from sustaining memberships will result in bringing Scouting to more boys.

There are several ways in which our efforts are repaid. First of all, the rate of juvenile delinquency is greatly decreased in communities where the Boy Scout Program is actively supported. A boy in Scouting is a boy out of trouble. Secondly, many tax dollars are saved. Property damage, police action, court costs and maintenance in-

## County Water District Views Their Progress

In 1950, Mr. James F. Stiles, Jr., then vice-president and treasurer of Abbott Laboratories, called upon Mr. Lee Fleming, editor of the Zion-Horton News, and at that time, mayor of Zion, and Mr. John Kottcamp of Johns-Manville.

Mr. Stiles suggested that they meet to discuss the county-wide problem of a dependable, and adequate water supply. Working together,

these three men drew up a plan for a county-wide water system.

Their plan was simple. Lake Michigan water would be moved west to the land. To do this, they proposed to buy water from the lake shore municipalities, and transport it through large feeder mains to all areas of the county. Incorporated areas would buy the water at a rate competitive to the cost of pump-

ing and treating well water. Non-incorporated areas would be furnished water through retail systems constructed for them.

In this fashion, the entire county would have a dependable water system without great expense on any particular area. They also proposed that a retail area, when incorporated, could buy their portion of the water system. (Continued on Page 3)

RETARDED CHILDREN are helped through a study program geared to their needs.

IN THE RETARDED CHILDREN'S SOCIETY WORKSHOP in Waukegan many of the retarded youngsters are able to take a real, active part in life. They are taught to perform jobs provided by some of the area's industries, and in this way earn money.

OFFICIALS OF THE LAKE COUNTY WATER DISTRICT, left to right, are Gary Robinson, trustee; John J. Nool, vice-chairman; Phillip A. Fragossi, Supt.; William Schwager, Chairman; Joseph F. Koonen, Consulting Engineer; Vance Ray, Trustee; Charles L. Whyte, Jr., secretary-attorney. Not shown are Edmund F. Vos, trustee, and Gilbert Curran, trustee.

## EDITORIAL

### Repeal Excise Taxes

If Congress will go along, President Johnson aims to start his term as elected leader by repealing a tax that should have been repealed long ago—the 10 per cent federal excise tax on various articles.

The taxes were originally levied as a wartime measure, but, like most taxes, once levied, no one ever moved to remove them. The tax added a sizeable amount to, among other things, women's handbags and cosmetics.

The tax repeal will affect toilet articles, cosmetics, jewelry, furs, luggage and handbags. These are the ones that we'll notice most, because the tax is added to the purchase price at the retail level.

The repeal will also affect a good many articles at the manufacturer's level, however. The consumer doesn't notice these taxes as much because he doesn't realize the tax is passed on to him. Among articles of this kind affected will be ballpoint pens.

It is estimated that the taxes which will be removed bring 550 million dollars into government coffers. The President plans to cut spending, particularly in the military field, to compensate.

Removal of any tax is encouraging. We hope every segment of government cooperates by not levying any new ones.

### Courthouse Notebook

BY LOU DURKIN

A new game of musical chairs with courthouse space is being planned to take place about the time Coroner-elect Pat Clavey is ready to assume his new post on the first Monday in December.

Coroner Robert H. Babcox, the budding sand and gravel tycoon, enjoyed sumptuous quarters on the fifth floor of the courthouse during the last three years of his 12 year tenure, but his successor stands a good chance of being evicted.

County Board Chairman Kenneth Henke has been casting covetous eyes on the space now occupied by the Coroner because the quarters would be more in keeping with the exalted position of County Board Chairman.

One move of this type usually prompts a chain reaction, however, making numerous shifts necessary to satisfy the space and prestige demands of the various offices.

The chairman of the board has been growing in importance as an official as the role of the county government expands and more imposing quarters would be an outward sign of this new prestige and importance.

The municipal primary in Waukegan in February should be a good test for the newest Republican splinter organization, the "Young Turks" who were the key factors in the strong showing made by Clavey in the recent county election.

If the regular township organization doesn't slate a list of candidates acceptable to Clavey's Clan look for a rugged primary battle which could, if successful, further project the new Coroner into a position of influence in party circles.

The young bloods want a candidate who has a good chance of unseating Mayor Robert Sabonjian, the Independent Democratic-Republican, and they may even take on City Clerk Howard Guthrie if he remains aligned with "The Rock."

Other communities may well brace themselves for an invasion by the Clan as their local elections come up on the calendar.

Township elections will also be areas of operations for the group and particularly if more townships swing to regular party slates.

Recent statements to the

effect that the Republican Party is big enough and strong enough to support divergent views sound a little strange coming from State Treasurer William Scott, whose role in the "purge" of unacceptable state legislators contributed substantially to the defeat of Charles Percy in his bid for the Governorship.

It would almost seem that Scott and his cohorts, Cook County Sheriff Richard Ogilvie and State Superintendent Ray Page are trying to shift full responsibility to Percy for the purge of the state legislators who didn't quite measure up to the blue ribbon image some Republicans would like to have of the GOP.

You would think that GOP leaders would get the word after seeing the results of recent purges at the state and national levels, but already there is talk of "purifying the party" by purging those responsible for the latest debacle at the polls.

The difficulty, of course, is determining if those who did battle were responsible for the defeat of Sen. Goldwater or if the blame should be laid at the feet of those who sat on their hands because they were told there was no place for them in the party.

The Three Twins, those amiable ambassadors of mirth and melody are back at the Waukegan Inn playing to near capacity crowds every night except Sunday and Monday.

The versatile trio has some new material, some of which seems to have been written by Lenny Bruce, the Little Boy of Blue, and they are also playing for the dancing pleasure of their many fans.

And if you favor solid piano background for your evening out, be sure to catch Al Morgan at the Adria Restaurant.

And that old Lake County favorite, Danny Daniels, is still holding forth at the organ at McCormick's in West Lake Bluff.

#### Hot Stuff

A minister who liked hot horseradish offered some to a guest at dinner.

The guest took a big bite of food covered with it, gulped, gagged, and said reproachfully to the churchman: "I've heard many a minister preach hell fire, but you're the first one I've met to serve it."

### Letters to the Editor

Nov. 13, 1964  
Antioch, Illinois

The Antioch News

It is too bad Annie Mae's research into what is the matter with Main St. does not go a little further than the merchants' shortcomings. Since she seems to know all the answers perhaps she might tell us what the Village Board is doing to promote Main St.—or why the nice, clean fill, that was available when they tore up Spafford St. was not dumped in the long talked about future East Side parking lot?

The Village Board has had requests and permission to do this but it has not been done except where it suits their convenience.

If Annie Mae really wants to promote Antioch, she could find out why Antioch's Village Board cannot find ways to enhance Main St. with additional parking and the town with better lighting, among other things: all of which neighboring villages pay for out of meter and motor fuel collections.

Susie Wang

### Truckers List Worst Errors

Neither speeding nor slow driving is the greatest driving error noticed by one group who ought to know. Professional drivers, with a safety record unequalled by the average passenger-car driver, say in a report issued this month that it's failure to signal properly.

The driving error in second place is failure to dim lights and just behind that is close following, or "tailgating." The driving pros reporting in this month's Changing Times are today's typical truck drivers—men whose jobs depend on their safety records.

Today's average passenger-car driver has an accident every 40,000 miles. The average trucker goes at least three times, and on some truck lines more than four times, farther per accident, according to the Kiplinger Magazine report. Now that these drivers have been asked about the driving blunders they observe, the tabulation holds some surprises.

Errors previously thought to be among the most commonly committed ignoring stop signs, crossing the center line, ignoring traffic lights were at the bottom of the list. The slow driver was in eighth place as a menace. Ignoring solid "do not pass" lines on hills and curves tied for sixth place with drifting between lanes on expressways.

Excessive speed took fifth place. Failure to pass a slow-moving car ahead just barely nosed our excessive speed for fourth place.

### Eagle Scouts To Hear Olympic Stars

Eagle Scouts of the Boy Scouts of America will hear about the 1964 Olympic games from several of the Olympic stars who will attend the Recognition Dinner on December 10 in Chicago.

Among the Olympic stars who will be present are Don Schollander, winner of four gold medals in swimming; Lt. Billy Mills, winner of the 1,500 meter race, and Bob Schul, winner of the 5,000 meter race, and Fred Schmidt, Ken Stizberger, Richard Stearns and Lindsey Williams.

John Carmichael, who has just returned from Tokyo where he covered the games, will act as Master of Ceremonies. Carmichael also will moderate a panel discussion devoted to the Olympics.

An Olympic theme was chosen for the dinner this year because the spirit of competition and the desire to excel coincide with the ideals of Scouting. Each of 200 businessmen who will attend has, as his guest, an Eagle Scout who has shown interest and abilities in similar lines of work. In many cases the businessman sponsor also welcomes his Eagle Scout guest to his business establishment or offices and gives him firsthand information on the possible life work that interests the Eagle Scout.

### ALONG THE WAY with Annie Mae

About the luckiest fellow I know these days is the Meteorologist, who has had the fortune in the last few weeks of being dead-wrong and nobody cares. If he happens to forecast a sunny day for our mid-summer picnic and all the heaven bursts forth with fury, who do we blame? The weatherman, of course! However, when his nasty predictions turn out to be glorious Autumn days that stretch into weeks, who's interested in Mr. Weatherman?

THE LATEST REPORT: Not being exactly a connoisseur of the Fungus growths (mushrooms my friends) I didn't have the nerve to pick the ones scattered all over the lawn in front of Dr. Bucar's last week, but if they're missing I have a hunch it was a professional job. Doc . . . S & S Tailors put their stake in Main St., by moving into the old S. & L. building this week . . . scared us all to death last week when they piled all that dirt on the State Bank future home site, almost looked like they were digging from the inside out! . . . Irv Walsh returned this last weekend from another stint in the Veteran's Research Hosp. in Chi.

NOTES TO YOU: If you're wondering why the uniform on Bob Lubkeman, so are we! Whatever the reason, he's a mighty handsome representative of our armed forces . . . Incidentally Jack Thompson lays aside the meat cleaver (he's that good-looking blonde butcher at the I.G.A.) to don Army garb the 1st of December . . . If you think this office is full of gossip, boy, are you wrong! I didn't even know LI was in the hospital until I read it in the paper. How's that for a bunch of close-mouthed individuals . . . Well, he's gone! George the crow has flown the coop. Nobody knows exactly where, but if you hear from him tell him we miss his early morning visits.

THE LAST DROP: Think it can't happen here? Then listen to this. Mr. W. H. Curpess drove up to the I.G.A. last Friday, and after parking his car went in to do a little shopping. When he came out it seems his brand new auto had vanished right into thin air. Still no clues as to where or how! . . . seems there are lot of folks alarmed about the carrying of dirt lately!

Tally-ho!

Annie Mae

Reading a road map while driving is a hazardous habit. Distractions which harass a driver at any time are perilous, especially at high speeds on the open road. Pull completely off the street or highway to do your map reading.

### Channel Lake News

By Louise Gutowski  
395-1317

Friday the 13th proved to be a black day for the Channel Lake Basketball squads' first games last week! The B team lost their game 53 to 6 and the A team, doing a little better, lost their game 46 to 41. Better days are coming, though, as the teams will try to prove in their games with Gavin which was played Tuesday afternoon and their game with Fremont, Tuesday, November 24 in the school gym at 3:30 p.m. The public is invited to attend and cheer our teams on.

The Channel Lake PTA is planning a Fun Fair and Bazaar, Friday and Saturday, December 5 and 6 at the school gym. There will be games for the children of all ages, homemade articles for sale and refreshments available. Everyone is welcome.

The Channel Lake Community Club will sponsor a square dance Sunday, Dec. 6, at 7 p.m. in the school gym. All people in the community and their friends are invited to attend. After the dance there will be a box social, so ladies, prepare a nice lunch for two and decorate it so your date does not recognize it and they will be auctioned off to the highest bidder. The club is tentatively planning to have Square Dance lessons for the club members and will make the further plans at its officers' meeting to be held Thursday, Nov. 19, at 8 p.m. at the home of Louise Gutowski. Another purpose of the meeting will be to plan some community activities to stir up interest in the club, according to President Gladys Zobus. More members are needed and more interest in the club, by the community is desperately in need if it is to continue sponsoring the Scouting groups in our area.

Former resident Eddie Wretman was injured critically last week when he was hit by a car in Antioch on Tiffany Road and Lake Street. Eddie received severe head injuries and was in the intensive care ward for several days. Eddie, the son of Mr. and Mrs. Leroy Wretman, graduated from Channel Lake this year and is now on the road to recovery.

Lou Portalski accompanied Mr. and Mrs. Clyde Queen, of Indian Point, and Mr. Edward Zender of Chicago to Rochester, New York, for the American Power Boat Association National Convention. They attended many meetings and a few social functions and enjoyed renewing old friendships. Clyde Queen was recently elected to the APBA Region 7 Board of Directors and Outboard Chairman while Lou Portalski was appointed to the same Board and elected Inboard Chairman for Region 7. These elections took place at the Region meeting held in Chicago last month.

When driving at night dim your lights when meeting and following. There is nothing quite so exasperating as a following car with the high beam on, blinding the driver of the car ahead. Bright lights can create traffic hazards. Don't jeopardize the safety of yourself or others. Dim your lights for other vehicles.

Former resident Eddie Wretman was injured critically last week when he was hit by a car in Antioch on Tiffany Road and Lake Street. Eddie received severe head injuries and was in the intensive care ward for several days. Eddie, the son of Mr. and Mrs. Leroy Wretman, graduated from Channel Lake this year and is now on the road to recovery.

## Make More, Have Less, Is Common Complaint

If you made \$5,000 in 1939, you need \$12,743 today just to stay even. The family making \$13,500 borrows even more today than does the family making \$5,000. Both statements are made this month by Changing Times in its probe of the common complaint, "The more we make, the less we seem to have."

### County Water.....

(continued from page 1) and become wholesale customers, as were other municipalities. This would enable any area to grow, and when large enough, have its own retail water system to help support it.

All this would be done under the state statutes on Water Districts. The "plan" was formally presented, first to a meeting of over 300 prominent business men of Lake County. At this same meeting, 15 men were chosen from the many volunteers, to form a steering committee, which would take the necessary steps in bringing the plan into an operating entity.

They undertook their task with enthusiasm, and within a few short months, the plan was ready to be presented to the county. The first to offer help, was the County Board of Supervisors. On November 14, 1950, they unanimously passed a resolution to endorse the Lake County Public Water District.

With the boundaries set, it was necessary to state to the public, the who and what of the proposed water district. In particular, that the water district would be unique in not having to shuffle income to support non-income departments.

That is, no water revenue would be used for any expenses except those involved in running a water system. This would enable water rates to be equal only to the expense of operation and maintenance, and not one penny more.

The public arose, and petitions were signed. The petitions, requesting a public referendum, were then submitted to the County Judge of Lake County. With definite proof of the public desiring a water district, County Judge, Minard E. Hulse, set April 3, 1951, as the date for the election.

The Lake County Public Water District was born by 95% of the votes cast. Without the full support of the public, and public officials of Lake County, such an overwhelming start would not have been possible.

Instead of special assessments and taxes, "voluntary participation" was the watch word, and "Lake Water for Lake County," the motto.

Approximately seven years will be required to complete the program set up by the District. Within the next ten years, it is believed that the ruling on "Lake Division" will be handed down. The Water District will then be allowed to construct the remaining parts of the lake water system.

It is quite safe to say that within twelve years, the motto of "Lake Water for Lake County" will be a reality.

believes that overall most people are probably much better off than they used to be, whether they realize it or not. It points out, though, that while the Consumer Price Index has risen only 15% over the past 15 years, items that are taking more of the prosperous family's income have risen much faster.

Findings show that ladies go to the beauty parlor twice as often as they did 15 years ago. In ten years the cost of hospital room and board has doubled, and estimates are that it will be up almost another 50% by 1970. Over the same ten-year period, the cost of sending a child to college for one year has risen around 40% to 50%. Indications are that there'll be an additional rise of about 5% to 7% per year from now on.

Exploring the subject, "Why You Feel Pinched," the Klipinger editors note, too, that "as the family increases its income, it adds a great deal more each year to its assets, even though it may not always be aware of the improvement."

"Actually, when your income rises, all expenditures don't go up in the same proportion." Those expenditures that tend to go up faster than income include taxes, insurance, clothing, educational expenses, recreation, gifts and contributions, as well as additions to net worth.

"Other items, such as housing, transportation and food, don't go up as fast as income."

"Most families are spending more on transportation today than ten years ago when about 9% of all families had two cars; now it's closer to 16%."

Although the rise in taxes and prices helps to explain why a dollar of income doesn't go as far as it used to, most people have actually upgraded their way of living a lot more than they realize. In addition, Changing Times concludes that, while they may not admit it openly, most people are tucking away assets to pass on to their heirs.

### New Church.....

(continued from page 1) shall, president of the Illinois Synod of the LCA, in consultation with the Board of American Missions Regional Director, The Rev. Lavern C. Anderson, and the local pastor. The name given is St. Stephen Lutheran Church, Antioch, Ill.

In naming a congregation, the Lutheran Church in America tries to avoid similarities with other congregations in the area; requires a definitely Christian name which has some intrinsic value, such as a name of the Godhead, the name of a Festival Day or season, the name of an outstanding Christian saint, or a Biblical name or place. St. Stephen was the first Christian Martyr as described in the Book of Acts.

All persons who might be interested in learning more about the newly formed congregation are invited to attend this meeting. Refreshments will be served.

It is quite safe to say that within twelve years, the motto of "Lake Water for Lake County" will be a reality.

## Scout News

On Halloween week-end the senior troop of Antioch went on a camp-out at Mrs. Dorothy Derderian's. Neighborhood chairman, We left Mrs. Gibson's, our leader, at about 9 a.m. on Saturday.

When we arrived at Mrs. Derderian's we were greeted by four St. Bernards (mother and three pups) and saw 3 horses in the field in which we were going to camp. These animals were with us almost continuously all week-end.

We had camp set up at about 2 p.m. and were given permission to go horseback riding.

That evening after a delicious meal, we popped popcorn over the open campfire. We turned in about midnight and were wondering if the ghosts from across the street (there was a cemetery located there) would come and visit us. By one o'clock none had appeared so we all went to sleep.

The next morning we were all up bright and early. After a filling meal of French toast, cocoa and juice, we started to break camp. Before we could really get going though, we decided to go riding again. Some of us stayed in camp to prepare the noon-day meal.

After we ate, we started to break camp again. This time with only a few mishaps we got everything down, packed away for the trip home. We were all home and resting by 4:00 p.m. We wish to thank the Derderian family for letting us use their property and aiding us in having a wonderful week-end.

Respectfully submitted, Wendy Lindblad, Troop Scribe

### Ask Help For....

(continued from page 1)

placed in schools and business houses in West Lake County. Any funds accruing will be used to facilitate this proposed new facet of the Society. If further information is desired, it may be secured by calling MA 3-4695 or writing to P. O. Box 158, Waukegan, Illinois.

### Scouts.....

(continued from page 1) Public Institutions for just one boy costs many times more than the modest amount needed to keep that boy in the Scout uniform for a year. Here is an example: \$3,152—St. Charles Training School for Boys; \$2,717—Sheridan School for Boys; approximately \$12—Boy Scouts. It is obvious, therefore, that even one Sustaining Membership will be of great value and personal satisfaction.

The entire community will benefit, since a strong Scouting program channels spare time energies into worthwhile activities of direct and lasting benefit to the entire community.

For more than fifty years the Boy Scouts of America has worked with boys of from eight to eighteen years old, building them into men of decency and strength. In the century to come, such men will be needed more than ever. By joining the Scouting Program as a Sustaining Member you will be helping to provide America with future leaders.

## Workshop On November 25

Lake Forest High School and Grant Community High School will host the third Annual Northwest Conference Teacher's Workshop on November 25. Teachers from the 8 Northwest Conference schools will meet by department at one of the two schools. Art, English, Foreign Language, Guidance, Mathematics, Music and Social Studies departments will meet at Lake Forest. Department meetings at Grant are Business Education, Driver Education, Home Economics, Industrial Arts, Library, Biological and Physical Sciences and Physical Education.

Donald Cramer, Antioch, is chairman of the Mathematics department meeting. Diane Busch, Antioch, is chairman of the Library departments meeting.

Purpose of the Conference is to bring the newest ideas and trends to the teaching staffs of each of the schools.

### Thanksgiving Day Services

Thanksgiving Day services will be held in First Church of Christ Scientist located at 955 Victoria St. in Antioch. Visitors are welcome.

One feature of the service will be a period when individual Christian Scientists stand up voluntarily to express their thanks to God in their own words.

The sermon on "Thanksgiving"—as in all Christian Science services—will consist of readings from the Bible, and also from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. There will also be hymns and a period of prayer.

### UNDER NEW MANAGEMENT

Mr. George Hahn, the new owner of Keulman's Jewelry Store, took over officially this week. Mr. Hahn's background includes watchmaking and gemmology. He was the manager of the fine jewelry and silver department of Wieboldt's store in Randhurst before taking over the reins at Keulman's.

Mr. Hahn plans to use his knowledge of watchmaking to give faster, better and more reasonable service in watch repairing.

New lines of silver flatware and hollowware are being added and Bulova watches are among some of the new items in time pieces.

HOW MUCH TEA LEAVES WILL MAKE ONE POUND OF TEA?

IT TAKES 4 POUNDS OF TEA LEAVES TO MAKE 1 POUND OF TEA! 3 POUNDS EVAPORATE WHEN FRESHLY PICKED TEA LEAVES ARE DRIED OUT!

# Topics for Today's Women

MR. AND MRS. OTTO HANKE celebrated their 25th wedding anniversary on November 7.

## Hanke's Have 5th Anniv.

About 200 guests helped Florence and Otto Hanke celebrate their Silver Wedding anniversary November 7 at the Antioch Fire Station. Otto is an Antioch Fireman and is employed by the village. With the exception of five months, the Hanke's have both lived in Antioch all their lives.

They have two children, Arthur, who is married and lives in Arlington Heights, and Wayne, a freshman at the Wisconsin State University at Whitewater, Wis.

## Campus News

Rob Hanson, Antioch, a student at the University of Wisconsin, recently pledged to the Sigma fraternity.

Julith Lynne Turner, daughter of Mr. and Mrs. O. Turner of R. R. 2, plays a part in "One Man's Moon", which is being presented in the Central Illinois Methodist Churches by the Methodist Student Movement of Illinois State University.

Graduated in 1963, Antioch High School, she is a sophomore at Western University, where she is a member of the Delta Omicron, Iota Chi, and Women's Chorus.

At the Illinois from Antioch, she is a member of the Delta Omicron, Iota Chi, and Women's Chorus.

## Grade School Band

The Antioch Grade School Band, under the direction of Mr. and Mrs. Dan Davis, will begin their 20th year of music making with a concert at the Antioch Community Center, 395-872, on Saturday, November 20, at 8 p.m.

The band's activities during the year will be of music, song, and choral work. The band will be of the Antioch Community Center, 395-872, on Saturday, November 20, at 8 p.m.

## Where The Boys Are

Knolls Property Owners Association will have a dance Nov. 28, at 8 o'clock at the American Legion Hall, 144 Avenue, Antioch. There will be square dancing, food and refreshments. The public is invited. Carl W. Bager is general chairman of entertainment.

## Legion News

By Del Jahneke

At the recent meeting of the Antioch American Legion Auxiliary, the Unit made many donations to worthwhile causes. They agreed to pay all their Past Presidents' dues, stated Mrs. Lucy Himes, Past Presidents' chairman, since this money goes into a fund for nurses' scholarships.

Also, each Unit provides gifts each month to hospitalized woman veteran patients. They contributed money to TB Seals, money for the state president's special project—purchasing as many motorized wheelchairs for hospitalized war veterans as possible, gave money for "Gifts for Hospitalized Veterans" (formerly known as the "Gift to the Yanks" project), and also sent money to provide refreshments for the Americanism's "New Citizens' Receptions" programs.

Mrs. John W. Horan, Jr., Rehabilitation chairman, asked for six dozen cupcakes to be supplied by various members, and the Antioch American Legion Auxiliary will buy six dozen ice cream dixie cups for a December 8 "social" party at Downey Hospital.

Veterans' Craft articles have been ordered, and will be on sale to anyone in the general public interest in buying these well made and varied items. This money goes entirely to the disabled veteran who made the article. Mrs. Himes has charge of this veteran craft ware.

Mrs. Walter Hills, Membership chairman, announced that 92 Auxiliary No. 748 members have paid their dues—only eight more dues are needed to make the Unit 100% in membership.

Mrs. Deborah Van Patten, musician, accompanied the group in singing the national hymn of the American Legion Auxiliary "Bless This Home." Mrs. John L. Horan, Sr., president, presided at the meeting.

## Open House Honors Teacher's President

Mrs. Theresa Davis, president of the National Department of Classroom Teachers, was a weekend guest of Mr. and Mrs. Philip Haass, 143 Lakewood Drive, Antioch. An Open House in honor of Mrs. Davis was held Saturday afternoon.

Mrs. Davis is a first grade teacher at Griffin, Georgia. She is on a leave of absence while fulfilling her duties as president of the Classroom Teachers' organization, one of the largest organizations in the U.S.

Mrs. Davis travels through all the states giving speeches and visiting schools. Her theme for the year 1964-65 is "I Teach a Child."

## Where The Boys Are

PENSACOLA, Fla. — William F. Schwab, seaman apprentice, USN, son of Mr. and Mrs. Clarence J. Schwab of Antioch, recently reported for duty to the Naval Air Station, Pensacola, Fla.

## Bazaar For Whole Family

"Something for everyone, bring the family" is the motto of the Mothers' Club at Carmel High School. Specifically, this means their first Holiday Bazaar which will be held November 22 from 1:00 to 7:00 p.m. in the cafeteria and student lounge of the high school in Mundelein.

All the favorite booths which appeal to women with long Christmas lists will be found well-stocked at the bazaar—the Parcel Post, Holiday Decorations, Dolls and Under, Doll, Apron and Hand Work booths to name a few.

To please father and the children, there will be a cake walk, a fish pond and a white elephant sale for men only. A light lunch will be served during the entire bazaar.

Workshops have been held twice a week at Carmel High School to make sure of plenty of handmade items and to give the mothers the satisfaction of working together.

Mrs. John Sherwood, Lake Villa, and Mrs. George Sedivec and Mrs. C. Schwab of Antioch have been busy since September on bazaar projects.

Proceeds go to the principals of the Girls' and Boys' divisions, Sr. M. Cecil, B.V.M., and Fr. David Murphy, O. Carm., to be used for the high school.

## Garden Club To Hold Christmas Workshop

The next meeting of the Antioch Garden Club, Monday, Nov. 23, will be the final one of the year, and a combination Christmas Workshop-Smorgasbord. Held at the Antioch Savings & Loan building, it will begin at 10 a.m.

Hostesses for the Christmas party will be Mrs. Clarence Spiering with Mrs. Howard Frizzle assisting as co-hostess. The luncheon will consist of a variety of foods prepared by individual members.

Of great interest will be a demonstration on Christmas decorations, presented by Mrs. Lasco of Lasco's Florists, Antioch.

In lieu of a grab bag, members will exchange tree ornaments or other Christmas decorations.

## Woman's Club Ready For Xmas Season

Preparations for the Christmas season were the subject of the program for the Woman's Club when they met last Monday at the Scout House in Antioch.

Mrs. Everett Ottedahl displayed samples of Christmas decorations manufactured by the Froste Sno Co. of Antioch.

Mrs. Irving Elms requested donations of Christmas cookies for the next Downey Hospital Party, which will be held Tuesday following the club's next meeting.

## Benefit Concert

Netania Davrath, Israeli soprano, will appear in a benefit concert for the Grove School for perceptually Handicapped children on Tuesday, November 24, at 8:15 p.m., in the Highland Park High School auditorium.

This will be Mme. Davrath's only concert appearance this season in Chicago. While here she will appear on WGN TV and radio as guest artist on the Jack Taylor show.

## Salem Receives Two Autographed Books

Annabelle Douglas McArthur, author who visited Salem Central High School during National Education Week has sent two autographed books of hers to the school for use in the library.

They are "They Signed for Us" a dramatic story of the signers of the Declaration of Independence by Merle Sinclair and Annabelle Douglas McArthur and "Religion in Early Milwaukee" by the author.

The students were particularly impressed with Mrs. McArthur and found her very interesting to talk with.

Drivers in residential streets must use extra care when parking, especially should that pile of leaves conceal a child playing games. If you are not sure get out and check the pile of leaves before you drive in to park there. Youngsters don't have the sense that you do.

## Millburn News

By Mrs. Frank Edwards  
Elliott 6-5795

Regular services at Millburn Congregational Church Sunday, Nov. 22: Church and Sunday School at 10 a.m.

Special Thanksgiving Day services will be held at Millburn Church Thursday morning, Nov. 26, at 9:30 a.m., a half-hour earlier than the usual Sunday morning service.

The Devotional Study Group met at the home of Mrs. Edwin Denman last Thursday morning. The next meeting will be held at the home of Mrs. Verlon Groves of Druce Lake, Thursday, December 10, at 9 a.m.

Mr. and Mrs. William Paulsen spent the weekend at Knox College, Galesburg, with their son, Charles, it being Parents Weekend at the College.

Clarence Hauser of Paris Corners and Arthur Hauser of Kenosha called on their mother, Mrs. Frank Hauser, Sunday morning.

The Millburn Social Club met at Millburn Church with a potluck dinner Tuesday evening. Mr. and Mrs. Cecil Cale and Mr. and Mrs. William Bonner in charge of the dinner.

The Millburn Ladies Aid served dinner to the members of the Pure Milk Association at Millburn Church, Monday evening.

Mr. and Mrs. Chris DeYoung will hold open house at the church Sunday afternoon, Nov. 22, 2:00 to 5:00 p.m., celebrating their Golden Wedding.

Mr. and Mrs. Theodore Engh will hold open house in the Masonic Temple at Millburn Sunday, Nov. 29, 2:00 to 5:00 p.m., celebrating their Golden Wedding.

## Essay Wins Shetland Pony

Yvonne Hertel, age 11, daughter of Mr. and Mrs. Irving Hertel, Allegheny Rd., Grayslake, is the proud owner of a Shetland pony. Yvonne, who is a member of the Grayslake Agricultural 4-H Club wrote the prize winning essay on the subject "Why I Would Like to Have a Shetland Pony."

The contest was sponsored by the Lake County Agricultural 4-H Clubs in cooperation with the Webster Penny Ranch of Ingleside. The two-year-old Shetland pony was donated by Mr. and Mrs. Howard Webster, owners of Penny Ranch.

Farm Adviser Ray T. Nicholas said that so many excellent entries were received that the judges had a difficult task selecting the winner. Many of the essays were read over several times to finally determine the winner.

The 4-H members writing the next highest scoring essays were each awarded a large gate sign with the inscription "A 4-H Member Lives Here."

"THANKSGIVING IN ACTION"

What is it that makes a person really thankful? What is it we cherish most? Who do we thank for it, and how? This program called "Thanksgiving in Action" provides an inspiring answer.

## Health Officers Of State To Meet In Springfield

Mr. Robert Flakamp, a member of the Lake County Board of Health and Dr. Arthur G. Baker, Director of the Lake County Health Department, attended the 12th annual meeting of the Illinois Association of Boards of Health.

This meeting was the fourth joint conference with the Illinois Association of Medical Health Officers, and was held at the State House Inn in Springfield on Monday of this week. Dr. David C. Shapiro of the Lee County Health Department, President of the Association of Boards of Health, presided at the morning, luncheon and afternoon sessions.

A panel concerned with the content of up-to-date programs in local health departments was presented at both morning and afternoon sessions. The panel was concerned largely with nursing and sanitation services, and presentation was almost entirely by public health personnel who are working in actual programs on the local or community level.

Included on the program for Monday were Miss Robah Kellogg, Director of Nursing Services for the Lake County Health Department, who discussed this county's development of a Community Nursing Service Agency; and Mr. John Morris, Director of Environmental Health, who discussed certain phases of the Lake County Environmental Health program.

Dr. Baker, who is president of the Association of Medical Health Officers, presided at the dinner session where Dr. Howard Shangknessy, Chicago, Chief of the Division of Laboratories, State Health Department, was the featured speaker.

The two day meeting of health officers following the Monday meeting covered aspects of interagency cooperation, both in theory and practice. As an example, there was a special panel on the recent encephalitis outbreak in Illinois.

## Achievement Meeting Of 4-H Members

The Annual Lake County 4-H Club Achievement meeting will be held Friday evening, November 20. The program will start at 7:30 p.m. in the Waukegan High School, West Campus Auditorium.

The Achievement meeting marks the occasion for recognizing the 4-H Club leaders and members who have done outstanding work during the past year.

Farm and Home Advisers, Ray T. Nicholas and Helen

## Bankers Attend State Conference

Richard J. Daniel, vice-president of the State Bank of Antioch, attended the 10th Annual Illinois Bank Management Conference on Nov. 11 and 12.

The Conference, held at the Illinois Union Hall in Chicago, was sponsored by the Illinois Bankers' Association. About 175 bankers from all parts of the state attended.

## Medinah To Initiate 400 New Shriners

Medinah Temple, already well represented in this area, will add another group of local residents to its 22,000 membership on Friday night, November 20, at its Fall initiation, to be held at its "mosque", 600 N. Wabash ave., in which some 400 new Shriners will cross the traditional "hot sands."

The event will mark the official visit of O. Carlyle Brock of Erie Pa., Imperial Potentate of the more than 800,000 Shriners in North America. He will discuss the 17 hospitals for crippled children now in operation and the three new ones to be constructed at a cost of ten million dollars to treat burns. Two of them in Galveston, Texas, and Cincinnati, O., already are under construction.

Potentate William M. Welsborn of Medinah, 5321 W. Fletcher St., Chief Rabbi Yngvar Brynildsen, 923 Michigan ave., Evanston, and Assistant Rabbi Albin R. Anderson, 1639 N. Normandy

## DEATH NOTICES

### DELORES R. MAKOLONDRA

Mrs. Delores R. Makolondra, 29 years old of Town Line Road in Lake Villa, passed away at 9:37 a.m. on Thursday, November 12 at Condell Memorial Hospital in Libertyville during childbirth, and her infant daughter passed away 10 minutes after birth. Mrs. Makolondra was born October 6, 1935, in Walworth County, Wis., and had lived in East Troy, Wis., for 6 years; then moved to Twin Lakes, Wis., where she lived until her graduation from Wilmet High School in 1954. She then moved to Kenosha, Wis., where she attended the Kenosha Vocational School and worked at the Kenosha Hospital. She was a licensed practical nurse by occupation. Delores Ann married Ivan Makolondra on June 10, 1958. She had resided on Town Line Road for the past six years. She held membership in Prince of Peace Catholic Church at Lake Villa.

Survivors are her husband, Ivan, three sons, John, 7 years old, Bernard five years, Gary 1½ years, and Judy Ann, 4 years old, all of whom are living at home; her parents, Mildred and Ray Ammon, Lake Villa, maternal grandparents, Mr. and Mrs. C. E. Miller, Burlington, Wis., her paternal grandmother, Mrs. Lydia Ammon, Burlington, Wis.

Funeral services were held at 9:30 a.m. Saturday from the Strang Funeral Home in Antioch to Prince of Peace church at 10 a.m. for a requiem Mass. Interment was in Ascension Cemetery at Libertyville.

### VIOLA L. ROBEL

Mrs. Viola L. Robel, 63 years old of Silver Lake, Wis., passed away at 6:45 a.m. on Sunday, Nov. 15, at Columbia Hospital in Milwaukee, after a two year illness. She was born October 18, 1901 in Milton Junction, Wis., and had resided in Milwaukee and Saukville, Wis., before moving to Silver Lake 12 years ago.

She married Oscar J. Robel on Nov. 12, 1924, at Milwaukee. Mrs. Robel was a member of Peace Ev. Lutheran Church at Wilmot, and the Ladies Aid of that church.

Survivors are her husband, Oscar J. Robel, one daughter, Mrs. Lyle (Audrey) Swatek, Silver Lake, Wis., one brother, Walter Filler, Thiensville, Wis., two sisters, Mrs. Lillie Ehlers and Mrs. Irma Richter, both of River Hills, Wis.; two grandchildren as well as several brothers-in-law and sisters-in-law.

Funeral services were held at 1:30 p.m. Wednesday in Peace Ev. Lutheran Church at Wilmot. Pastor George Enderle of that church officiated at the services. A visitation was held from 2 p.m. Tuesday until 11 a.m. Wednesday at the Strang Funeral Home in Antioch. Interment was in Salem Mound Cemetery near Silver Lake.

### MRS. EDITH R. DOWELL

Mrs. Edith R. Dowell, 83 years old of Channel Lake near Antioch, passed away suddenly at 3:15 a.m. Tuesday, November 17, while being taken to Victory Memorial Hospital by the Antioch Rescue Squad. She was born June 26, 1881, at Channel Lake and had resided there all but 25 years which were spent at Berlin, Wisconsin. She was an active member of the Antioch Congregation of Jehovah Witnesses. She was preceded in death by her husband Thomas W. Dowell in 1950, as well as by two sons, Earl B. and Thomas, and one daughter, Gladys.

Survivors are two sons, Harold Dowell, Berlin, Wis., Ralph Dowell, Channel Lake; five daughters, Mrs. Henry (Pearl) Kapell, Channel Lake, Miss Ruby Dowell, Maywood, Ill., Mrs. Otto (Ellen) Pieper, Antioch, Mrs. John (June) Suter, Maywood, and Mrs. Robert (Hazel) Willett, Channel Lake; two sisters, Mrs. Nellie Woolner and Mrs. Alberta Rogers, both of Channel Lake; 19 grandchildren and 16 great grandchildren.

Funeral services were held at 2:30 p.m. on Thursday, Nov. 19, at the Strang Funeral Home in Antioch with Mr. Leslie MacDiarmid officiating. Interment was in Grass Lake Cemetery.

## New Sewage Disposal Method Draws Interest

The first gas-fired municipal sewage system to be built in Illinois has been completed in Rock Falls and is expected to save local taxpayers upwards of \$30,000 over a 20 year period plus \$25,000 installation costs, according to Mayor Louis J. Pignatelli.

Necessitated by the state's Sanitary Water Board to eliminate the possible pollution of the Rock River, the installation was proposed and designed by the C. K. Willatt Company of Dixon.

In Rock Falls' previous system, a primary sewage plant using the conventional digester method allowed a dangerously high 65 percent of the pollution qualities in sludge (the term used for solid organic waste from sewage) to be dumped into the river.

This, along with the waste from local industries, added to the sewage from the other towns lining the river's banks, overloaded nature's normal purification process and promised to turn the "Rock" into a fetid, lifeless eyesore.

In the Rock Falls installation, the sludge is burned in a circular kiln consisting of a steel shell, lined with firebricks, surrounding five levels of hearths and a central rotating shaft to which rabble arms are attached.

Once burned, the sludge is reduced to a minimum of clean, odorless, white ash. This ash can then be inexpensively hauled away.

The speed with which the Rock Falls installation operates is truly jet-age. With the previous systems, which used digestors and drying beds, the process time was often as long as two or three months. By contrast, with the new system requires only two or three hours to complete the process—at a cost of about \$2.50 an hour.

Because there are no drying beds or digestors needed for incineration, there is an additional big savings of over \$25,000 in the initial cost of the installation. It also means no expenses for such usual essentials as new pipings, landscaping, and service roads—again reflecting the savings involved. In addition, because this "first cost" is less, the total interest on any borrowed money will be lower.

The Rock Falls facility may be the answer to the sewage disposal problems of other cities, regardless of size, and many civic officials, faced with the same problems, will be watching the results at Rock Falls with great interest.

## Lindenhurst News

By Mrs. Bernice Bernau

### Christenings

Five-weeks-old Christopher John, son of Mr. and Mrs. Dudley (Shirley) Mertes, was christened at Prince of Peace Church Sunday. God-parents were Kathleen Mertes, the baby's sister, and Joseph Mertes, a cousin. Several friends from Lindenhurst attended the party held later. The paternal grandmother, Mrs. Dillian Mertes was among the guests.

Vernon and Judy Cook of 2302 Honeysuckle Lane had their five-weeks old son, Jeffrey Robin baptized Sunday at Prince of Peace Church, too. His god-parents were Mr. and Mrs. Richard (Peggy) Finley, neighbors of the Cooks. Dinner guests besides the sponsors and their family were the maternal grandparents, Mr. and Mrs. Anthony Repas of Lindenhurst.

Also christened Sunday at Prince of Peace Church, was Scott Martin, three-week-old son of Mr. and Mrs. John (Pamela) Worshel of Petite Lake Highwood. God-parents were Mr. and Mrs. Paul Brown of Round Lake.

Miss Marianne Grace was proxy sponsor for Silke Maria Schroeder. The god-parents, sister and brother of Mrs. Hugo Schroeder of Sand Lake Road, live in Germany. The christening took place in St. Mark Lutheran Church. A small group of friends attended the party held in honor of the occasion.

### Box Lunch Social

The Lindenhurst Citizen's party is sponsoring a box lunch social Saturday night, Nov. 21 at the Lindenhurst Civic Center. Ladies should bring a box lunch for two. Boxes should be wrapped attractively and brought in a brown paper bag, so that no one will know whose box is being auctioned off. About 10 p.m. John Slove will start auctioning off the lunches.

Elmer Fritz and his five piece Ghost Band will play for the dancing. Cottons and jeans will be proper dress.

### Moved

Ted and Evelyn Bittner are in their brand new home at 68 N. Rolling Ridge now. They formerly lived at 2518 Highland. Mrs. Bittner is a Den Mother for Troop 84.

### Moving

Ed and Dorothy Kovanda of 1812 E. Longmeadow will be moving into their new home at 70 Orchard Lane later this year.

### Anniversaries

Congratulations to Marge and Bill Campbell on their 43rd wedding anniversary Nov. 20. And to George and Maxine O'Day on their Silver anniversary Nov. 18; also to the Fidanzos on their 24th anniversary Nov. 23. Our best wishes, also, for Thor and Zenia Neuman on their 41st anniversary Nov. 25.

Gil and Dolores Povillaitis had a belated anniversary celebration Saturday evening, October 26 was their seventh anniversary. To mark the occasion, they and Frank

## Federal Money To Illinois In October

Senator Paul H. Douglas has announced a total of \$59,853,598.00 in federal loans, grants and contracts to Illinois communities, institutions, and business firms during the month of October.

Among the amounts allocated were \$220,847.00 to various schools in Illinois under the Manpower Development & Training Act for training of Housekeeper, medical service, automobile mechanics, cooks, etc.; contracts for industrial orders under the U. S. Foreign Aid program to American Steel & Wire, Waukegan, \$78,793.00; Abbott Laboratories, \$1,259.00; and Frank G. Hough Co., Libertyville, \$1,224.00; Outboard Marine Corp., for outboard motors and spare parts going to Pakistan, \$25,350.00.

An emergency vehicle approaching with a siren blast should always receive the right of way, says the Chicago Motor Club. When a driver becomes aware of such a vehicle approaching, he should pull over to the curb and come to a complete stop. If there is no room along the curb, the motorist should pull as closely to the right curbing as possible.

and Helen Mindak had dinner and danced at the Swedish Glee Club.

## Something In Your Eye?

Blustery fall winds frequently propel dirt specks that land in the eye. These tiny specks are usually little larger than microscopic in size, but they can feel like a boulder when lodged under the eyelid.

If you're lucky, the speck will come out by itself. What do you do, however, if the speck remains to torture you with pain, tearing, and impaired vision?

The first impulse is to rub the eye frantically to remove the irritating body. No matter how acute your discomfort, however, RESIST THAT IMPULSE! You may only succeed in damaging your eye and the delicate tissue inside the lid by scratching them with the sharp edges of the foreign particle; this additional irritation of the lid also may cause swelling and greater discomfort, making removal of the foreign particle more difficult.

As in so many first aid problems, nature's way is the best way to remove foreign particles from your eye. Close the affected eye for a few minutes. It will tear profusely to form a natural "bath" that frequently washes the particle away in a few moments. If this method fails, gently grasp the upper lashes of the eye, pull the lid out and down over the lower lid. This technique not only stimulates further tearing but mechanically helps to "roll" the foreign particle out from under the lid.

If these methods fail to dislodge a particularly stubborn foreign particle, you may attempt to "double team" it with the aid of another person. This can be done in the following four steps:

1. Have the patient close the affected eye. The assistant then places a small cotton swab horizontally across the eyelid.
2. The swab should be pressed gently down on the closed eyelid, directly on top of the eyeball.
3. Using the free hand to open the eye, the assistant should grasp the central lashes of the upper lid with thumb and forefinger, raising the eyelid over the swab and holding it in place with the thumb.
4. When the speck is located on the inside of the upturned eyelid, the assistant should carefully slide the swab from the lid, dip the swab in boric acid solution and gently remove the speck. During the procedure the patient must keep looking down.

Many physicians also recommend the slower method of flushing foreign particles out with repeated applications of boric acid solution from an eyedropper or an eyecup. The solution is made with a rounded teaspoonful of boric acid powder added to a pint of boiled (and cooled) water. If a stubborn foreign particle finally has been removed but leaves your eye swollen and painful, it's a good idea to check with your physician. He can prevent the possibility of infection with the appropriate antibiotic or antiseptic ointments.

Above all, don't hesitate to call your physician if none of these simple first aid techniques don't work immediately. A foreign particle blown in by the wind can embed itself in the cornea, or lens of the eye, and permanently impair vision.

## Girl Scouts Plan Christmas Projects

Sequoia neighborhood leaders of the Girl Scouts will hold a pot luck luncheon on December 2 at 11:30 a.m. at the Antioch Scout House. Mrs. Robert LaParr will head the committee in charge of arrangements. Anyone wishing information may call her at 395-2647.

Several Girl Scout troops are making plans to distribute baskets of food to the needy for Christmas. Any leaders who wish to have their troop take part in this project can contact Mrs. Fred Albrecht at 395-3982.

## The Will Is Lacking

One thing is certain about the platforms our two political parties adopt every four years. They always promise the ultimate in economical government.

But a promise is one thing and performance is another. Take the case of government economy, for instance. There certainly can be no doubt that there is waste and duplication of effort in just about every phase of public affairs. If the parties mean what they say, the budget can be safely pared by billions.

But that is only half the problem and half the need. Economical government means government which, as a matter of rigid principle, keeps out of those areas where the tax-paying private area can do what is required.

A prime example here is electric power. The record of the investor-owned utilities in meeting every demand, and at a cost which has tended steadily downward over the years, is a dramatic and inspiring one. In this field, we lead the rest of the world by a very wide margin, and our technological superiority extends to all the elements which make up this complex industry. Yet the political pressures in favor of socialized power continue relentlessly. Huge sums of the taxpayers' money are needlessly spent—and then, to compound the economic crime, the taxes that would be collected if private enterprise did the jobs concerned are lost through tax exemption of government projects.

It is not the ability to cut the cost of government that has been lacking—it is the will. And that will can only be created by the strongest kind of public demand.

As autumn approaches, adjust your driving to changing conditions. Too many drivers blunder into a twilight trap when daylight has faded and artificial light doesn't do much good. Figures show that darkness doubles traffic troubles, especially between five and eight o'clock p.m., when fatal accidents increase sharply. Stay alert and stay alive!

If you drive carefully, all you need is a strong rear bumper.

## Illinois Has Best Employment Record

Illinois leads the nation with the best record of improving employment opportunities for its citizens and eliminating pockets of labor surplus.

Gene Graves, executive director of the Illinois Board of Economic Development, released a report from the Area Redevelopment Administration that describes Illinois as "having the best record of all 50 states in terminating ARA financial assistance programs."

Graves pointed out that the over-all unemployment rate in Illinois now stands at 2.9 per cent. He said this is the lowest unemployment rate of any industrial state in the country. He noted that ARA bases its criteria of eligibility for aid on a 6 per cent unemployment rate.

# Now save up to \$60 when you buy a new electric dryer

Right now—just as outdoor drying starts to get its worst—Commonwealth Edison and Public Service Company, in cooperation with your appliance dealer, offers you a chance to save up to \$60 on any new flameless electric dryer. You'll get the \$20 to \$40 you normally save when you buy an electric dryer instead of gas—plus a special cash discount of \$20 from Commonwealth Edison.

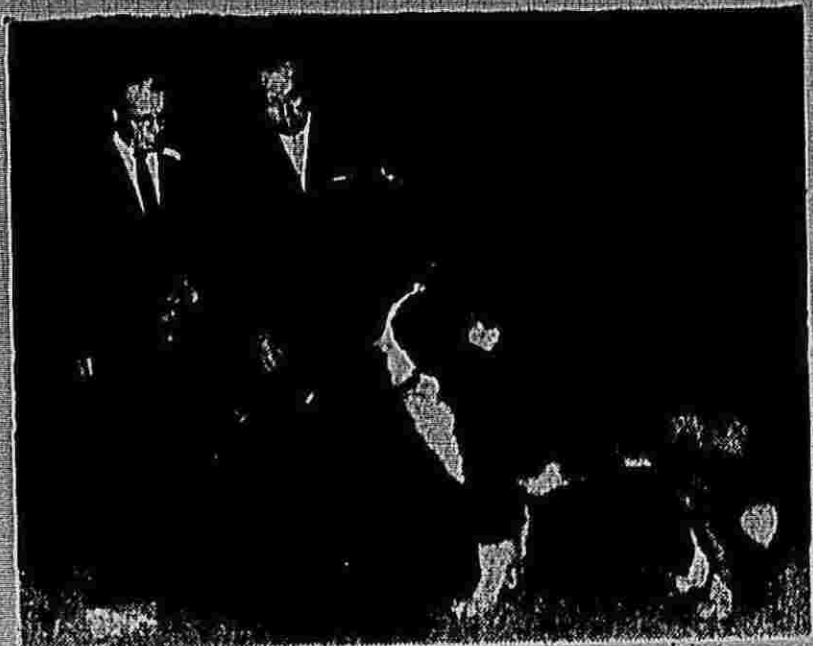

What's more, flameless electric dryer savings don't end with low first cost. There are few moving parts, so electric dryers are more economical to maintain. With no pilot light, they cost nothing when not in use. As a result, an average family can dry the modern electric way for only \$1.25 a month.\* And because there are no fumes, flames or products of combustion, things keep fresh and new looking longer—you'll save money on your clothes.

See your dealer for the money-saving details now. No down payment. Satisfaction on any flameless electric dryer guaranteed.

\*Based on the actual use of a cross-section of Chicago-area families.

GERALD SHULL, Antioch, displays Swiss Alps Brandy, Champion St. Bernard who will take part in the St. Bernard show at the Amphitheatre.

## 4 Tons of Saints At Amphitheatre

Swiss Alps Brandy, a St. Bernard owned by Gerald Shull, Rt. 3, Box 272, Antioch, is one of the champions who will be exhibited at the St. Bernard Sanction match on Sunday, November 22, at the International Amphitheatre in Chicago.

An entry of about 70 St. Bernards is expected. Judging will start at noon.

A St. Bernard, say the owners, is "big enough to pull a wagon, smart enough to rescue a drowning man, and patient enough to sit with the children."

## MOOSE TOPICS

### CHUCK WAGON SUPPER A SELL-OUT

The decorations that surrounded the Moose Lodge last Saturday night was in traditional style for the serving of the Chuck Wagon Supper which was a complete success.

The covered wagon was the table-setting for the food that was served buffet style. The centerpiece, a huge cornucopia, was surrounded by hot dishes of roast beef, roast pork, baked beans, parsley potatoes, gravy, relish dishes, hot rolls and butter, coffee and apple pie.

On the walls hung hand painted pictures of a buffalo, acorn, indian head, horse-shoe and cowboy boots. A full size figure of a cowboy and cowgirl stood in back of the Chuck Wagon next to a horse and saddle. The figurines and the paintings were made by Mr. Rudolph Sevic, Evelyn Miller's dad.

At 6:30 the dinner bell was sounded by Jane Meyer and the call of "come and get it" gathered the patrons to the Chuck Wagon where they were greeted by the committee members who were also dressed in traditional western style. They were Jane Meyer, Millie Stroner, Gert Good, Evelyn Miller, Shirley Gehrls, Harriet Grewe, Dorothy Wiedman and chairman Lillian Birdsell.

The girls were kept busy serving and entertaining their guests while husbands Dick Stroner, Jerry Miller, Bill Meyer and Wally Good, also dressed in costume, were kept busy in the kitchen dishing out the food and keeping up with the dishes.

By 9 p.m. all the tables were cleared, the band had itself all set up and the guests began dancing to the music of The Visions. Everyone gave the impression of hav-

ing a wonderful time and very few left before the band, who left at 1 a.m.

### GREEN CAP NIGHT

The Antioch Chapter No. 735 will hold their green cap night honoring Gladys Schroeder on Saturday, Nov. 21, at 8 p.m. This will be an open meeting and all co-workers and friends are welcome. The former grand deputy, Marie Stenger of Rockford, will be the speaker for the evening. This promises to be a gala event so be sure to attend.

### LEGION GET-TOGETHER

The Antioch Moose No. 525 Legion get-together was held last Sunday afternoon at the Moose Home. Guests from Paddock Lake, Wis., were Mr. and Mrs. Eddie Kuba, accompanied by Mr. and Mrs. Allen Erickson.

A short meeting was held followed by a pot luck dinner and games. The next Legion get-together will be held on Dec. 27 with an exchange of gifts.

### COMING EVENTS

The next Third District meeting will be held at the Barrington Moose Lodge on Saturday evening, Nov. 21 starting at 8 p.m.

The next Moose regular lodge meeting will be held on Wednesday evening, Nov. 25, at 8 p.m. at the Moose Home. There will be a regular meeting for the W.O.T.M. this (Thursday) evening at 8

## Lindenhurst News

By Mrs. Bernice Bornau  
Editor 63649

### Troop 40 Holds Investiture

Brownie Troop 40 held an investiture recently at the Lindenhurst Civic Center. Incoming Brownies were Theresa Jones, Francine Henry, Katherine Patterson, Laura Christensen, Wendy Ingoglia, Jo Ann Peterson, Jackie Gillson, Sandra Helgel, Janis Hess, Rhonda Roth, Mary Oll-

p.m. at the Moose Home. Co-workers are urged to attend.

### OFFICERS HONOR

The officers' meeting was held at the home of Jerry Mark Tuesday, Nov. 10, to honor Senior Regent Jan Maleski on her birthday.

ver, Lisa Hazel, Debbie Robison, Vicky Seamus, Jackie Moffett, Diane Erickson, Gail Gilmer and Linda Dilger.

First year pins were given to Julie Quinn, Debra Anderson, Karen Saran, Melody Mattel, Nancy Schaeffer, Karen Torres, Theresa Jones, Patti Long, and Heidi Raht.

Receiving their second year pins were Regina Henry, Mary Jo Parpan, Sharon Bukas and Karen Nelson. Mrs. Gerald Hazel, the new Brownie leader, presented her co-leader Mrs. Ronald Roth, with a World Association pin. New committee mothers who received pins were Mrs. Willis Raht, Mrs. Wally Saran, Mrs. Willard Christensen and Mrs. Kenneth Jones. Also receiving pins were last year's committee mothers, Mrs. Donald Anderson, Mrs. Vic Schaeffer and Mrs. Bonnie Moffett.

### Women's Club Meets

Mrs. Douglas Ploss was elected president of the Lindenhurst Women's Club at last Thursday's meeting. Also elected were Mrs. Donald Bogda, vice-president; Mrs. Ernest Kookler, secretary, and Mrs. Jack Thompson, treasurer.

Elected to serve on the executive board were Mrs. Thor Neumann and Mrs. Jenny Volpentesta. Mrs. Raymond Parpan, outgoing president, will be the third member of the board.

Installation will be held at the January meeting.

Mrs. Paul Ireland, member of the Building committee, showed plans for the ladies' lounge. Money raised from the April and October raffle sale is making this project possible.

New Baby

## Elderly Get Tax Benefits

Taxpayers 65 years of age and over will find additional tax savings in several provisions of the 1984 Revenue Act. E. C. Coyle, Jr., District Director of the Internal Revenue Service, said these benefits are in addition to the rate reductions that will reduce the tax bills of all taxpayers.

For the elderly, tax savings from the new law are estimated to be over \$600 million a year.

Of benefit particularly to taxpayers 65 years of age or older are these provisions in the 1984 tax law:

1. The minimum standard deduction.
2. Removal of the one per cent floor on medicine and drug expenses.
3. Tax free treatment in certain cases for gains from the sale of residence.
4. An election increasing the computation base on retirement income credit for certain taxpayers.

Mr. Coyle said that none of the 11 million older taxpayers previously exempt from filing a return will have to file a return under the new law. Nearly all of the 3.5 million who file returns but pay no tax will continue to

THE ANTIOCH NEWS  
 THURSDAY, NOV. 19, 1984

have no tax to pay, according to Mr. Coyle.

The provision of the new law will reduce the taxes of virtually all of the 3.4 million people 65 and older who pay federal income taxes. Social Security and railroad retirement benefits continue to be excluded, Mr. Coyle said.

# Sequoits Open Season Against McHenry Sat.

The Antioch Sequoits will open their 1964-65 basketball season Saturday at home against the McHenry Warriors. Antioch fans are looking toward the brightest prospect in recent years.

Forming the nucleus of the squad will be veterans Vic Rogers, Bernie Smith and Bob Schmitz. Rogers, a 6'8 1/2" senior, was the team's leading scorer last year and coach Roger Andrews will be counting heavily on him to carry the load again this season.

This will mark the third season of varsity experience for Bernie Smith. A solid all-around player, Smith has good moves under the basket and can hit from the outside when called on. Bob Schmitz, although not a regular starter last year, saw a lot of action and will be the team's quarterback.

"The other two positions," coach Roger Andrews said, "are a toss-up at this time. There are four boys fighting it out for the two flanker spots at this time and I don't know yet who I'll go with."

Wally Henning and Jesse Inman, who saw limited action last year are battling it out with two boys from last season's fine sophomore squad, Tyrone Walls and Mike Sterbenz.

"We are going to get quite a lot of help from that sophomore squad of last year," Andrews said. "Tom Blackman has looked very good in recent practices and has been adapting himself to the varsity very well."

"Bob Schenk, a 5'10" junior, hurt his ankle early in the week but when he is sound will help us a lot. Bob is the best jumper on the squad. We have only been practicing a little over a week now and already he is dunking the ball."

"Pat Sheehan looks very good on defense and could come along later in the season."

"We have good shooting ability and good all around balance," Andrews added, "with at least six boys capable of 20 or more points a game on any given night."

"We will be tall, but better than that these boys are big and strong. They won't be moved around under the basket easily. Rebounding should not be a problem and we have fairly good over-all team speed. Our weakest

point," Andrews said, "will be defense."

Looking toward Saturday's opener, Andrews said: "It will not be an easy one. We're still looking for our first win over McHenry and this team has three good boys from last year's squad playing with them again. Their sophomore squad beat last year, too, I remember."

The Sequoits will go to Salem Wednesday, Nov. 25, for a game with the Falcons and then next weekend, November 27 and 28, they will compete in the Moose-

## Letters Awarded At Pot-luck Supper

Football awards were issued to Antioch's athletes Monday night at the annual pot-luck supper held in the cafeteria of the High School. The freshman, sophomore and varsity football squads as well as the cross country team were present to receive their awards.

Paul Lindblad was voted by his teammates as the honorary captain and the most valuable player. Wally Pleviak was honored with the most improved player award.

All conference selections were announced at the dinner and Wally Pleviak and Tom Morgan made the offensive all conference squad, while Paul Lindblad was the sole Sequoit to make the all conference defensive roster.

Awarded honorable mention on the defensive unit were Jim Effinger, Wally Pleviak, Paul Williams, Tom Tantlinger, Jim Sheppard and Bernie Smith.

The all-conference squads are chosen by the coaches of the Northwest Suburban Conference.

Varsity letter winners were Bruce Bonner, Mike Davis, Dave DeYoung, Frank Dowling, William Eckert, Jim Effinger, Dave Fabry, Fred Fath, Robert Flood, Wally Henning, Mike Lancaster and Paul Lindblad.

Don Mason, Rich Mason, Carl Meade, Bill Meyer, John Morgan, Wally Pleviak, Stan Revell, Terry Schneider, Jim Sheppard, Bernie Smith, Mike Sterbenz, Tyrone Walls, Ed Westberg, Ken White, Paul Williams and Tom Tantlinger.

Bill Bobo and Harry Vanderkloot received varsity letters for their work as managers during the season.

### Cross Country Team Honored

The members of Antioch's Cross Country team were also awarded their letters at the supper. The team finished the season with a 9 and 7 mark and came in third in the conference meet.

First to receive his award was captain and most valuable, Tom Wojnowiak. Wojnowiak finished 7th in the conference meet and was one of the squad's top contenders throughout the season.

Other varsity letter winners were Bill Carrick, who finished 5th in the conference meet, Martin Swede, Tom Thompson, Del Church, Jim Sorenson, Wayne Sobczak and the team's manager, Bruce Price.

Sophomore letter winners were Paul Galati, Tom Doolittle and John Friedman. Upper classmen who didn't qualify for a varsity letter but received a minor award were John Patterson, Bruce Feyerabend and Eric Leavell.

Freshmen award winners were John Bjork, Richard Stahl and Craig Patterson.

Turn your headlights on at sundown. Maybe you can see, but can the other drivers see you? Many drivers are slow to adjust to the poor visibility of twilight. Turn your headlights on at twilight and let your presence be known.

# News of Lakesports

## Falcons Lag Height Says Coach Grams

Salem basketball coach Dorm Grams will be counting heavily on veteran guards Joe Flaschner and Ron Well and a promising group of juniors from last year's B squad as he looks over prospects for the coming season.

Lost to graduation from last year's southeastern conference championship team are Captain Ron Hofer, Lyle Foulke, Jim Herda, Mark Olsen, Tom Hancock and Dennis Weis.

Hofer was all league center and all state honorable mention. Foulke made second team all conference and Jim Herda with 103 points for the season was the squad's top outside shooter.

"We will lack the big man," says coach Grams, as 6'2" is the tallest member of the squad. Inability to score will be our big problem as we don't have a proven scorer on the squad."

"We have a tough road schedule to add to our troubles," says Grams, "so it look like a rebuilding year for the Salem Falcons."

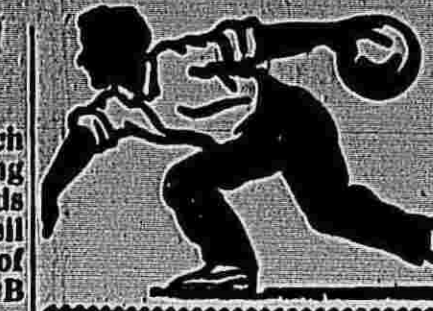

The Falcons open their season Friday, November 20, with a game at Burlington and then open their home season against the Antioch Sequoits Wednesday, November 25.

## Second Goose Hunting Season

There are 86,500 Canada geese in Southern Illinois and Northern Kentucky, William T. Lodge, director of the Illinois Department of Conservation, has announced.

The Crab Orchard National Wildlife Refuge in Williamson County has 26,500 geese; Horseshoe Lake Refuge north of Cairo, 43,000, and Union County Refuge near Ware, 15,500. About 1,500 Canadas are on the Ballard County Kentucky Refuge.

The goose hunting season in Alexander, Union, Williamson and Jackson Counties, is divided into two periods; the first began at sunrise Nov. 16, and ends at sunset Wednesday, Dec. 23; the second begins at sunrise, Sunday, Dec. 27, and closes at sunset, Jan. 15, 1965. Daily kill limit and possession limit are the same: five geese, of which only two may be Canada geese or subspecies.

**There are tigers—and there are Wide-Track tigers.**

(Have you priced a tiger lately?)

We make two: GTO, Le Mans. Same handsome looks. Same agile handling. Same plush interiors with bucket seats. Difference is, GTO muscles up 335 hp. You've got that, a Hurst floor shifter, dual exhausts, a handling package, even special tires before you ever get to the optional stuff. Le Mans is tamer, if you call this tame: 250 hp or 285 hp on order. Compare the Wide-Track tigers to "sporty" cars without a hint of Pontiac style or a sniff of Pontiac performance. See what all you get for how much. Then hurry on back to Wide-Track tiger Town.

We're building Wide-Tracks again! See them all at your authorized Pontiac dealer now!

# Delinquent Tax List

## STATE OF ILLINOIS COUNTY OF LAKE

Public notice is hereby given that I, Karl Berning, County Treasurer and ex-officio County Collector of Lake County, in the State of Illinois, will apply to the Circuit Court of said County on Monday the 7th day of December, A.D. 1964, for judgment fixing the correct amount of any tax paid under protest, and for judgment against the lands and lots mentioned and described in the following list of delinquent land and lots for the general taxes for the years 1910 through 1963 both inclusive together with interest, penalties and costs due severally thereon and for taxes, drainage and special assessments due for the years 1914 through 1964 both inclusive together with interest, penalties and costs due severally thereon, and for an order to sell said lands and lots for satisfaction thereof. Public notice is also hereby given that on the second Monday of December, 1964, to wit: on the 14th day of December, A.D. 1964, all the lands and lots for the sale of which an order shall be made, will be exposed to public sale in the Circuit Court Room in the building where said Circuit Court is held in said County, in the Court House at Waukegan, in said County, for the amount of taxes, special taxes, drainage, special assessments, interest, penalties, and costs due severally thereon, except such as shall have been paid at said time of sale. Said sale shall commence at 9 o'clock A.M., Central Standard Time on the 14th day of December and to continue from day to day until the same shall be completed and if for any cause such judgment shall not be rendered on the said 7th day of December, then such sale will be made on the second Monday after such judgment shall be rendered commencing at 9 o'clock in the forenoon of such second Monday.

Costs on each tract or description of land 51 cents; on each lot or description of lot, 20 cents. Also interest at the rate of 1 per cent per month will be added after October 1st on the total tax.

## Legal Notice

**IN THE CIRCUIT COURT OF THE 19TH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS, PROBATE DIVISION ESTATE OF WILLIAM A. ROSING Deceased, FILE NO. 64P571.**

Notice is hereby given pursuant to Section 194 of the Probate Act of the death of the above named decedent and that letters testamentary were issued on Nov. 5, 1964 to Rose Rosing, 1007 Main St., Antioch, Illinois, whose attorney of record is Edward C. Jacobs, 425 Lake Street, Antioch, Illinois, and that the first Monday of the month of January, 1965, is the claim date for the estate.

Claims against said estate should be filed in the Probate office of the Clerk of said Court, County Court House, Waukegan, Illinois, and copies thereof mailed or delivered to said legal representative and to said attorney.

**STEPHANIE SULTHIN**  
Clerk of the Court  
(20-21-22)

## COUNTY ZONING NOTICE

### STATE OF ILLINOIS

**COUNTY OF LAKE**  
TO WHOM IT MAY CONCERN:

**PUBLIC NOTICE** is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on December 3, 1964, at 1:30 p.m. in the Police Station, (old Village Hall), Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the F-Farming District, to the R-3 Residential District, the following

As a result of the petition of BAYSHORE REALTY CO., which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

**LAKE COUNTY ZONING BOARD OF APPEALS**  
JOHN M. STERLEY  
Chairman

Dated at Waukegan, Illinois, this 19th day of November, 1964.

**Tablet Turkey Timetable**

Good News! The roasting time for turkey has been reduced in recommendations from the National Poultry & Egg Board.

With home-made turkey, Tablet Turkey (for quality) and start bird 20 to 30 minutes ahead of schedule to allow for possible delays. Also plan time for turkey to set, to arrange on platter, and to make gravy.

The following schedule is the latest, and presented here just as a guide to help you.

READY TO COOK WEIGHT	PRE-HEAT OVEN TEMP.	INTERIOR TEMP.	ROASTING TIME GUIDE
4 to 8 lb.	325° F.	165° F.	2-3 1/2 hrs.
8 to 12 lb.	"	"	3 1/2-4 hrs.
12 to 16 lb.	"	"	3-3 3/4 hrs.
20-24 lb.	"	"	4 1/2-5 1/2 hrs.

Turkeys roasted in foil take less time, but a hotter oven...

4-8 lb.	450° F.	165° F.	1 1/2-2 hrs.
8-12 lb.	"	"	2-2 1/2 hrs.
12-16 lb.	"	"	2 1/2-3 hrs.
16-20 lb.	"	"	3-3 1/2 hrs.
20-24 lb.	"	"	3 1/2-4 hrs.

A HAPPY THANKSGIVING TO YOU AND YOURS!
